I really look forward to my birthday because I always have a big party and it's great fun. First, I get in touch with all my friends a couple of weeks before and invite them. My mum and I deal with all the arrangements – we decorate the living room and buy the food. I always, get a bit nervous just before the people turn up and think nobody is coming! Then, when it gets to about 9 o'clock, I cut my cake and everybody sings "Happy Birthday".
