The screenshot displays the Voki Creator interface. On the left, a vertical toolbar contains icons for: a character head, a green shirt and blue cap, a landscape image, a paint palette, and a speaker icon. The main area features a 3D avatar of a man in a black suit, white shirt, blue polka-dot bow tie, and black fedora hat, making a peace sign. The background is a white house with a blue sky. On the right side of the avatar, there are icons for a close button (X), settings (gear), and help (question mark). A 'Save' button with a right-pointing arrow is located in the bottom right corner of the main area.
